YOUR EVENT

A venue with a difference, TheNewDowse contains innovative multi-purpose activity spaces perfect for your next event. We offer modern facilities in one of New Zealand's leading contemporary art venues, located in the heart of Lower Hutt.

With stand-alone and breakout areas, including an enclosed courtyard, TheNewDowse spaces can be configured to cater for anything from a staff workshop for 20, a formal lecture for 80, or a seated dinner for 200.

A winner of numerous design and architecture awards, TheNewDowse is perfectly suited to a variety of corporate, community and social events, including weddings, conferences, receptions, fairs, seminars, birthdays, workshops and launches – anything requiring an injection of creative flair!

Most spaces are available both during and outside of gallery hours.

YOUR CORPORATE FUNCTION

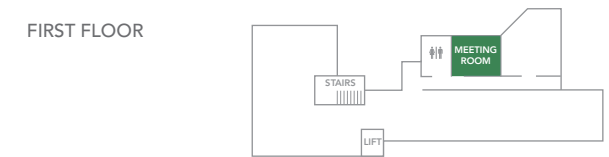

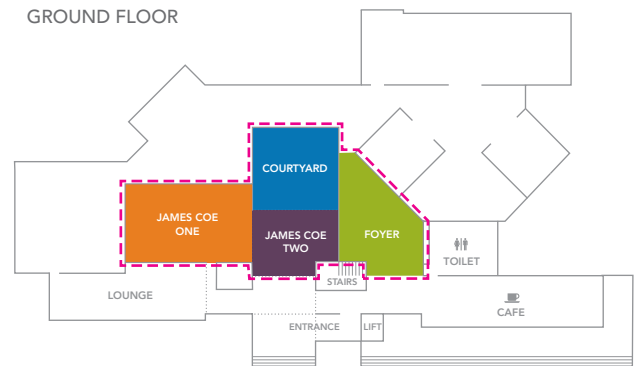

TheNewDowse allows busy people to meet in a central location outside the restrictions of offices and standard corporate settings.

It has plenty of onsite parking and the spaces are perfect for workshops, seminars, team-building, training sessions, away days and boardroom style meetings.
